Why spend an hour or more writing a contract when you can do it in a few minutes using Pandadoc? To start with this contract template, simply add details about you, your client and your project using the tokens in the menu on the right. This document is a legally binding contract for Handyman's services between the Handyman and the owner listed below. [City], [Sender.state], [Sender.zip] [Sender.phone] City, State, ZipphoneHomeOwner [Client.FirstName] [Client.lastName] i «name» [Client.street] [Client.Email] StreetEmail [Client.City], pbrush. at «[Sender.name] will perform maintenance services in the address of the owner listed above according to the detailed scope of the work attached to this contract. Change OrderShandyman will only perform those services approved in writing by the owner. If the owner of a housing will at any time require services that are not included in the scope of the work attached to this maintenance contract, both parties will create and sign a written change order prior to the performance of such work. The owner is responsible for acquiring any permission or approval required for the completion of the projects listed in the scope of the work. This includes any change in zoning or change to applicable conventions or local construction guidelines. Handyman will be responsible for the execution of the work described in the scope of the work.
